Any Tag this Side \$

Jewelry Tags- item code J

Tough nickel alloy with bright enamel accent colors. Up to **5 lines** laser-engraved on the back. **Choose Red, Blue, Pink, Purple, Yellow, Black, Green, Sky Blue, Lime Green or Mint** except where noted.

Frame Tags- item code F

Our own design! Choose frame color: **Black, Red, Burgundy, Navy or Green.** Then choose the engraved insert: **Stainless, Brass or Ivory Plastic.** Enter color choice as "frame color/insert" (example: black/stainless). Insert size is **S, M, or L** as shown on reverse side of this card, **PLUS** the outer frame.

Stainless Jewelry Tags- item code SJ

Like our classic Jewelry tags, but with the sleek, flat look of machined stainless steel. **Choose Red, Pink, Blue or Black and in Small size only.**

Tiny Jewelry Tags- item code TJ

These tags are perfect for petite pets where our Small size is still too big. **3 lines** of laser engraving on the back. **Choose Red, Pink, Blue or Black in Tiny size only.**

Sizes for Jewelry Tags

Tags left shown actual size: Small

Jewelry Collar Tags- item code JC

These tags have an elegant curve and lots of bling! **Choose Heart or Paw in Red, Blue, Pink or Black.**

Attaches with ultra-thin, high-tech Velcro around collar.

Small fits 3/8" wide collars. Medium fits 5/8" wide collars. Large fits 1" wide collars.

Designed to fit perfectly on our collars (sold separately) on the reverse side.

Plastic Collar Tags- item code PC

Our collar tags are stylish, chew proof and SILENT. They lay flat against the collar and are held in place by an ultra thin Velcro-like fastener molded into the back that opens and closes to go around the collar. Easy to attach to all collars and leashes, even adjustable collars!

Small fits 3/8" and 1/4" wide collars. Medium fits 5/8," 1/2" and 3/4" wide collars. Large fits 1" wide collars.

Choose Round, Rectangle or Bone shape in all the plastic colors shown on the reverse side of this page. **Small Round limited to 3 lines** of information; **small Rectangle limited to 4 lines.**

The Velcro attachment is sized to fit snugly around a single ply nylon collar. However, we can make the attachment longer to fit around a thicker collar per your request. (Collars sold separately).

Stainless Rivet-On- item code RS

Brass Rivet-On- item code RB

Choose Stainless Steel or Polished Brass; this durable and permanent rivet-on tag is ideal for dogs that are rough on stuff!

These tags are 9/16" wide by 1 & 3/4" long. They fit great on any collar that is 5/8" to 1" wide, and no more than 1/8" in thickness. They are a bit more challenging to attach requiring you to make holes in your pet's collar and some tools to flatten the included rivets.

Collar not included but you can buy a combo deal and we'll attach the tag to the collar for you! See other side for collars.

Add the OWNER ALERT! Pet Recovery Service

We helped nearly 1000 pets get home just last year!

If your pet ever gets lost or injured and you can't be reached at home, the finder calls our 24hr toll-free hotline (added to any style tag).

We then begin calling, texting or emailing your additional contact info until you and your pet's finder are in direct contact.

IT'S FOREVER! A one-time fee of only \$9.95 registers you in our database forever - for this tag or any tag that you ever order from us! Update or temporarily change your contact info (for vacations) anytime for free. It's that easy to add **24 hr protection**- for all your pets now **AND any new pet you may have in the future!**

We strongly recommend including your vet's phone number in case your pet is found injured.

Plastic Tags- item code P

Tough, durable and safe. 3M Safety Reflective coating on blank side for added protection. **Choose any shape and color shown right. In sizes S, M, L**

Any Tag this Side

Stainless Steel Tags- item code MS

Polished Brass Tags- item code MB

Traditional, classic tags in **Stainless Steel** or **Polished Brass**. 3M Reflective sticker on reverse side for extra protection! **Choose any shape shown right. In sizes S, M, L**

Metal and Plastic Tag Shapes

*Tiny Oval available in only one size. Limited to 2 lines: 17 characters per line

Metal and Plastic Tag Sizes

Large Medium Small

These are actual sizes for the stainless, brass and plastic tags. Large works well for pets about 26 pounds or more. Medium is for pets between 16 and 25 pounds. Small is right for pets under 15 pounds including most cats. Tiny Oval is right for smaller pets or any pet who prefers a smaller tag.

Plastic Tag Colors

Blue	Green	Black	Pink	Tan	Orange
Red	Yellow	White	Mint	Purple	Gray

Color names are written in the color of the engraving on plastic tags.
